- A Rare Opportunity to Create Your Own Private Family Retreat on the Costa del Sol -

A unique boutique development in Torrealblanca, Fuengirola - perfectly suited for large families, multi generational living, close friends purchasing together, or investors looking to create something truly special on the Costa del Sol.

This exclusive project consists of three beautifully designed residences with modern Scandinavian architecture, panoramic sea views, and exceptional flexibility to customize the entire concept according to the buyer's vision. More than simply purchasing a home, this is an opportunity to create a private lifestyle community that combines togetherness, privacy, and long term value.

What truly sets this development apart is the extensive freedom to personalize both the individual homes and the shared spaces from an early stage. The project can be designed with separate private gardens and individual pools for each residence, or transformed into a more social and resort style...
